SUBJECT: Petition from Messrs. M S. Muddiah & Sons, Silk merchants, Bangalore City, praying for permission to convert their agricultural land in S.No.57 of Hanumanthapur - village, Bangalore North Taluk, for non-agricultural purposes.

With reference to your letter No L 3227 dated 26-8-47 forwarding for report a petition from Messrs M S Muddaiah & Sons, Silk Merchants, Bangalore City, praying that they may be granted permission to convert their agricultural land bearing S No 57 - of Hanumanthapur village, Bangalore North Taluk, for non-agricultural purposes, I have the honour to state that the land in question was inspected by me on 10-9-47 in company with the Engineer Officer, attached to the Trust Board On inspection it is found that the area is not fit for the purpose for which it is asked for. ~~conversion~~ Further as such industries have to go ultimately to the Industrial Suburb, it is not desirable to encourage such conversions

The question was however placed before the Board at - its meeting held on 30-9-47 when the following resolution was - passed

> "Resolved that the application be rejected as the area is unsuited for the purpose and that the Board is also considering the development of the area on suitable lines "

Under these circumstances it is ~~considered~~ not considered desirable to permit the conversion as prayed for by the applicant The petition and the plan received with your letter under reply are herewith returned

I have the honour to be,

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE RAJPRAMUKH OF MYSORE, BANGALORE

Petitioners - M/S [illegible] Muddiah & sons, Cowrastrapet, Bangalore City

On about 20th August, 1947 petitioners submitted a petition requesting permission for conversion of a portion of survey No 57, Hanumanthapur village, Bangalore North Taluk near Bangalore - Yesvantapur railway line for non agricultural purpose or in the alternative for permission to put up a number of temperory sheds to provide residence for their workmen

Very acute hardship is being felt by the said workmen and employees of their factory which is situated on the same surrounding, and the labour officer is requiring petitioners to provide amenities to the said workmen They understand that the Bangalore City Improvement Trust Board to whom the matter was referred are against such permission

Petitioners submit that refusal in this behalf would be illegal and would be a serious inroad into the civil rights of petitioners as regards the user and ownership of their own property

Petitioners will convince Government that declining to grant permission in the circumstances is unfair and unreasonable and deters a bonafide endeavour to provide residence for houseless people

12

No reason at all exists in law why permission could not be granted as a temporary measure

Petitioners beg that they may be heard in the matter before the recommendations of the Bangalore City Improvement Trust Board are accepted and final orders made
